- Prayer Flags
- Ting
- Rose Garden

Restrooms
Picnic Table
Bench
Parking
Accessible
Reserved

SERVICE ANIMALS ONLY
Please leave pets at home. Cracking your car windows does not keep your pet safe. When outside temperatures are only 70°F, it can reach 100°F in your car in just 20 minutes.

We share the Garden with rattlesnakes and mountain lions. For your safety, stay on the paths.

STAY ON THE PATH to help protect our conservation collection of rare and endangered plants.

STURDY SHOES with good tread are highly recommended for most trails.

The Quarryhill Loop is an easy and relatively flat stroll by the Arbor created by the Garden’s founder, Jane Davenport Jansen.
